

Evaluation 2020.

Evaluation is directly connected to the expected LMTS outcomes

- student confidence to talk about learning,
- active growth/development/improvement in relevant learning areas, and
- reflection on progress and next steps to be a better learner

Of the 16 activities in the e-Guide, there are five evaluative tasks to complete from term 1-4;

Term 1.

- Activity 4. Teacher reflection

- Activity 6. Student reflection

Term 2.

- Activity 13. Student reflection

Term 3.

- Activity 16a. Student reflection

Term 4.

- Activity 16b. Student, teacher, leader, parent reflection

These five evaluative activities are highlighted in the blue boxes at the top of the framework below.
